

Dear Coaches:

Once again this July 4th weekend we will hold our annual Firecracker Showcase tournament in conjunction with our showcase camp.

Each year we are able to bring some of the best teams across the country in for the event, and last year was like no other. In 2005, 76 teams from 10+ states attended, including 3 National Champions.

Since in the past we have received significant interest in this tournament, we will be selecting teams based on criteria such as performance at nationals, other showcase tournaments, how many recruitable players you have, geographic location, and your attendance at past tournaments. We will also only be accepting applications from those who have sent in both an application form and a hard copy of their roster.

If you are planning to apply for entry into the showcase, please register online at www.pa-softball.com. It is also recommended, but optional that teams complete the form below to allow us to learn more about your team. If you choose to fill it out, please return it to: PA Softball, 236 E. Orange St, Shippensburg, PA 17257 with a check made payable to: PA Softball. The cost of this year's tournament is \$595 and we will follow an 8 game format.

Selections will be made on January 1, 2006, therefore it is essential that you notify us of your intent to participate by then. Your intent includes at a minimum your online registration and a check in our possession prior to January 1st, 2006. Successful entries will be notified and posted on the website. Unsuccessful entries will also be notified and will have their checks destroyed. Once your check has been deposited for the tournament, there will be no refunds. All accepted teams will be immediately asked to complete and return the roster form below if they have not already done so. The roster is crucial to the recruiting process and an essential tool for the college coaches.

The tournament will start as early as 8:00 am Saturday July 1st. If starting at that time will be a hardship, please explain with your registration and we will attempt to accommodate you. Please be aware that only a few teams with a hardship will be accepted.
