

Hi Greg,

I just want to let you know how much our team enjoyed playing in this tournament. It was an extremely well run tournament held on really nice fields. We had a great time. We wish we would have won a couple more games but that is the way it goes sometimes.

Regards,

Greg,

Great Tournament. We've won five tournaments this year and finished second in two others. Winning your tournament was definitely the highlight of our season.

Gregg:

I wanted to thank you again for the wonderful tournament last weekend. The girls had a great time and in spite of the Friday rainouts we felt that we got our money's worth. Hopefully we can make it back next year and have just as much fun.

Thanks again,

Fred Caldwell

Greg,

I can see why teams enjoy coming to the area. The 16U Mid Summer Classic went well. From a manager's stand point, I appreciate the early cancellation of Friday's games rather than trying to get in a one late. On the umpires - I experienced the worst and the best. I would definitely book another trip to your tournaments in the future. A positive experience. And after all the rain Friday, the fields were in great shape Saturday.

*Thank you,
Bill*

Dear Webmaster,

I just wanted to write and tell you how excellent your softball website is. We (Virginia ELITE) are coming up from Richmond, VA for the mid-summer classic and your wealth of information makes everything easy. Congratulations and thanks!

Greg,

Enjoyed the tournament and appreciated being asked to come up. Also appreciate the dinner Monday night. I saw 7 different fireworks displays on the road back to northern VA.

Thanks. You guys really did a great job..... Hopefully, we will be back again next year....

Greg,

I want to say that my daughter had a positive experience at your showcase this past weekend. I have no doubt that she will participate next year.

Are you going to post the 18U Gold Bracket results for the tournament??

Thanks,

Steve Jonigkeit

Hi Greg,

I just wanted to thank you for letting us play in the Firecracker Tournament this past weekend. It was a great tournament and a valuable experience for my team. We learned a lot about ourselves and how we stack up against some terrific teams that we'll probably see in Virginia in two weeks.

I really believe that you only get better by playing better competition, and your tournament really showcased that.

Thanks again.

Greg,

As usual a great tournament -- our thanks for a well organized event -- a little disappointing finish for us but a blast overall.

Matt and your dad treated us very well.

When will the final standings be posted -- interested in the final finish of the teams.

I had a very bad experience with the Long Island Riptide -- coaches were jerks, a huge controversy about blocking the plate in the first inning which ended in one of my players getting pretty banged up -- I thought she should have been ejected.

I hope all is well and hope to see you in person next year. Thanks again and best regards,

Chip Hanlon

Hi Greg,

Thanks for a well run tournament this weekend in Chambersburg. Matt did a great job! He even went out of his way to reorganize the umpires schedules in order to allow us to play a game earlier than scheduled (there was an open field due to a forfeit).

Was wondering when the final brackets will be posted...would love to see them!

Dear Greg, Just a few comments on the Firecracker tournament this past weekend, overall the tournament was fun. A tournament that size has got to be a bit overwhelming. The girls at the showcase camp missed the homerun derby and felt it was a little unorganized. We played all of our pool play games at Roof Park and we were as females delighted there was a real bathroom, no concession stand but I would take the real bathroom if I had to have a choice, although the portable bathrooms were very cleaned and emptied.

Thank you, Cindy Lee from the BC Breakers

Greg:

Thanks to you and your volunteers for a well run tournament this weekend. As a tournament director myself, I appreciate all the hard work that goes into making it come off as well as yours did. I am sure that having all those teams from far away and many different locations was a challenge. We enjoyed the competition, the hotel recommended by Maxine and the umpires from PA. They were friendly and fun. We hope to play in PA again soon. Thanks.

Greg, Just wanted to let you know that we enjoyed your Memorial Day Madness tournament. I could easily see us coming back next year and shooting for the gold.

Any chance you could send me an electronic version of the final results of the Gold, Silver, and Bronze bracket play?

Thanks, GRuf

Greg, I wanted to thank you for moving us to the Heishman Complex in the Memorial Day tournament.

Competition was unbelievable. We are a house team and had our eyes opened to some tremendous play. The girls learned a lot.

Several of my parents and myself were surprised that after the first game the fields were never lined again. You could not even see foul or fair on bunts.

I was impressed with how quickly we got the call for our Monday Seeding/the communication before and during the tournament I thought was excellent.

I very much liked the 8 game format. It gave our players a lot of innings and winning 2 and tying 1 game helped them through the pasting we took the other games.

Thanks for your hard work

Hi Greg,

This is Randy Henry from the 10u Krunch. Great tourney last weekend - thank you!

Greg,
Thanks again for a nice tournament. We didn't fare too well on Saturday and Sunday, but came back from dead last to win the Bronze bracket.

Greg,

Just wanted to shoot you a note and express our appreciation for such a well run tournament. This was our second trip and certainly won't be our last. It is by far our favorite trip every season. First class all the way.

Once again, thanks for putting together such a great event.
