

Greg,

We had a great time at your tournament over the weekend. Probably a lot more than you did with all the hard work you had to put in on the fields after it rained, wow!

Again, thanks for a fun weekend.

Greg,

Nice well run tournament, nice area/fields, great umpires. Hopefully you will continue at least one of the Women's tournaments (August) for next year.

Hi Greg -

Thanks again for having us this weekend. Our team had a great time facing some strong competition! We are thinking about continuing into the fall and may well choose to participate in another one of your tourneys.

Hope your weekend went well!

Hi Greg,

Thanks for the fall info. I just want to thank you for the t-shirts, the check , which we have given to our flood victims and the kind words. You are a class act.

Thanks again,

Thanks Greg,

Also, once again, Great job on the last tournament.

Greg,

We loved the tournament. Our players remarked how nice people (players, coaches, parents, umpires) were and the sportsmanship that was displayed by everybody we played.

I talked to your dad a bit, a good guy.

We got our butts kicked a few times (0-5), but it was a good experience. Even before it was over, our girls were talking about 'next year'.

Thank you again,

Kevin Murphy

My daughter's team (Jersey Shore Surf) participated in the college showcase tournament on 4th of July weekend.

I was very impressed with the tournament. I would like to say thank you to Maxine for all her help. We stayed in the Sleep Inn in Carlisle and it was great. The rooms were clean, and the staff could not have been nicer. They tried to accommodate us any way they could. We couldn't have asked for better.

Thanks for a great weekend.

On the down side, I would like to suggest that even though parents were asked to refrain from smoking at the fields, that it be enforced. As a cancer survivor, I felt it very inconvenient to have move my seat from a smoker repeatedly. Maybe it would help if the sand buckets were removed.

Cathy Esten

Well, I guess that's not too bad. I don't know how you do it.

.I don't know how you keep track of everything.

Anyhow, there are lots and lots of people that think you run a great tournament, myself included. You take it serious and put allot of time and thought into it. It shows. Everything is run professionally.

The umpiring is getting better and better. Across the board-my hat's off to you.

I hear allot of positive feedback from the teams about how you run a tournament. The Hot Shots, PA Intensity, North Carroll Fury, MD Flames, MD Magic, just to mention a few from down this way enjoy coming to PA to play in your tournaments.

I think you are to be commended!

Have a great day and I hope to see you soon!

Steve

Greg,

Enjoyed the tournament. Good schedule of competitive games and very good sportsmanship by all whom we played. Thanks for putting this on.

Jack

Greg:

On behalf of the South County Cardinals organization, I wanted to thank you again for a well-run tournament. We have always enjoyed playing in your events, and this year was no exception.

Maxine was very helpful with our hotel arrangements, and we got to play on fields that were proximate to our hotel. Thanks for being there when we faced our decision on whether to protest on Monday - I decided not to only because it was pool play and it was not going to radically change our standing in the tournament either way. Hope we can see you again next year!

Thanks.

Ed Gregorowicz

Greg,

Thanks for a great tournament and for all your hard work in putting it together. Everything was very professional. Just wish we had made a better showing.

Take care,

We had a great time this weekend and want to come back next year. Most of my girls have one more year at the 18 level. They really enjoyed themselves. I thought the people at the sites were great. Thanks again looking forward to next year.

Greg,

We had an AWESOME time. My girls played well and enjoyed the competitiveness of the games and the other teams. Thanks so much for all the hard work and everything that you did to ensure that we only had to worry about "playing". I truly hope to see you next year.

Greg,

Just wanted to send a quick comment on the tourney. We played all of our games at the Middlesex fields. The girl (not sure of her name - softball player with a strong arm) who handled this area did an excellent job. Always organized and smiling. Forgot to thank her when we left. If you could pass along our thanks, I'd appreciate it.

Thanks,

Greg:

On behalf of the Sparks Organization, thank you for a great tournament. Mother Nature at times seemed to want to rain us out, we appreciate all of the work and the effort that you and your group put into this tournament.

The umpires, the staff and the fields made for a great weekend of softball and our girls and parents enjoyed themselves.

Thanks again,

John

Greg,

Great tournament. Thanks for everything. We enjoyed our experience. The tournament director (I think he said he was your dad) did a great job. Pool play was good and exciting. The umpires were professional, the other teams were mostly courteous and fun. The brackets were well run and the competition was good.

All things considered, we had a good time. I just wanted to give you some positive feedback if you haven't had any yet today.

Keep up the good work. We will look forward to at least one of your events next year.

Hey Greg,

I enjoyed the tournament and you've done a great job. Keep up the good work and let me know if you see the 65+ mph kid with lots of movement with control!

Greg,

Thank you for running a terrific tournament. Your tournament is top-class. We will be back next year. Thanks to Jerry who ran things at the Middlesex complex.

Greg,

We can't wait to play in your tournament. It is extremely well run and very organized. You do a wonderful job. We had a great time last year and the competition was top notch.

See you in two weeks,

It was a nice tournament. Your Dad did a great job running our age group. You can give him a bonus.

Missed seeing you around though.

We do NOT need a bid to PONY nationals.

Thanks for putting together a great tournament.

Greg,

I first wanted to thank you for a very well run tournament, we had no problems at all and had a very nice time. It is amazing how you pretty much ran the tournament by yourself-great job!!!

Thanks again,

John

Long Island Riptide Rebels

Greg, Thank You very much for your concern. It was a very trying day for all of us, but Thank God everyone is going to be okay. The one child was just released from the hospital today, but they expect full recovery. We are already entered in another of your tournaments this year. (July 22 and 23 in Chambersburg) And yes we are planning to be there. I appreciate your offer for free entry into one of your other tournaments, but I will have to check with everyone on the team and see if any of the dates suit as we have other tournaments already scheduled. We are all getting together Monday evening for the first since the accident for practice so I will talk to all at that time and get back in touch with you. Again Thank You Greg!

Wayne Heddings

Thanks for the info. The only real problem we had with the tournament was that you didn't have double bags at first base at the Hagerstown fields. This is a safety issue and should be required. We like your tournaments but safety should come first when it comes to our kids. You do a real nice job with everything else, the trophies were very nice!

Thank you very much.

We had a great time at the tournament.

Greg,

Great job on this past weekend's tournament -- all of our Stars teams had a lot of fun. The umpires for 16U games were some of the best we have had. Great weather too -- you will have to clue me in how to get that :)

Greg,

Wonderful Tournament! My girls & parents had a great weekend.
We look forward to repeating the experience.

Dear Greg,

Please pencil us in for 12U in 2007 -- even though we didn't do well in the big show Monday, we had a great time overall!!!!

We learned a ton, mainly you can't take 9-, 10-, 11-year-olds to Hershey Park on Thursday, Gettysburg on Saturday, swim all afternoon & evening on Sunday and expect to win a dang tournament on Monday!!! We did well to get the No. 3 seed considering, but.....

Great education for us -- as well as a great time!!!

We have EVERY player eligible to be back next season, so we should represent ourselves even better (longer, I hope!!) next May!!!

The Ramada in Chambersburg SUCKS!! Especially at \$90 a night!!!

May I set up hotel rooms in Hagerstown in the near future and get in that portion of the pool tournament next May??

best always, Bill Lilley, manager Little Slammers

We had a great time although we could have definitely played better. ;)

We look forward to participating next year.

Thanks,

HI GREG WE HAD A GREAT TIME AT YOUR TOURNAMENT EVERYTHING WAS WELL ORGANIZED THE UMPIRES WERE GREAT THE KIDS HAD A GREAT TIME , GREG WE ALREADY QAULIFLIED FOR N.S.A. Greg

We didn't win a game until Monday and I would still recommend this tournament to everyone. The tournament was well organized, the officiating was top-notch, the teams were excellent and the fields were kept playable despite baking in the sun for 3 days. The girls had a great time - I hope we can return next year. Of course we would hope to play a bit better !!!

Greg,

We just finished the Memorial Day tournament and I wanted to drop you a line to say what a great job you and your staff did. It can't be easy with 40 teams, but on our end it went like clockwork. We were on time and the umpiring was overall superb. Looking forward to returning to one of your tournaments in the future. Thanks,
